SELECTMEN'S FOREWARD

2005 saw a change in the Selectmen's office with the departure of Pam Croteau as our Clerk and Welfare Administrator. We would like to thank her for all her hard work in document control and the welfare department. We were very lucky to have Yvette Redfield return to fill the position left vacant by Pam. Because of her previous experience the office has not skipped a beat.

Once again our Administrative Assistant Sandy LaPlante and Office Assistant Yvette Redfield deserve praise for keeping the everyday business of the Selectmen's office running smoothly and serving the citizenry on a day-to-day basis.

The Board wishes to thank the Police Department, Fire Department, Highway Department, and Recycling Center for their dedication to serving the town and making Marlborough a great place to live.

At the end of the year our police chief, Raymond Dodge, retired after 9 years of service with us. He will be greatly missed.

We appreciate Bill Heyman and his work with the town website [www.marlboroughnh.org].

Our town is fortunate to have the MarlHarris Ambulance squad providing medical service to the citizens of Marlborough and Harrisville.

We started the reassessment process, which will be completed, in the coming year. The reassessment was a requirement of the State of New Hampshire as our assessment values had dropped to less that 80% of market value.

The Board looks forward to continued improvement in the water department by the upgrading of water meters and main pump metering.

Financially the town continues to do well. In saving for future large ticket items by adding to capital reserve funds we are really saving for the future.

2005 was a solid year for the Town of Marlborough and most rewarding for this Board.

The Board of Selectmen
Town of Marlborough, NH

ATTENTION DOG OWNERS:
All dogs four months or older must be licensed by May 1, 2006. Licenses are available from the Town Clerk's office at the Town Offices.

An animal population control fee is now part of the license fee. This money will be sent to the State and given to low income persons to have their dogs and cats sterilized. The fees are as follows:

$7.50 for neutered or spayed animal
$10.00 for female or male animal
Note: Persons over 65 years of age may license one dog for $3.00.

Late Fees: $1.00 per month shall be charged if fees are not paid by June 1, 2006.

Any owner keeping a dog contrary to the provisions of NH Statutes RSA: 466 shall forfeit $25.00 to the Town in which the dog is kept in addition to the above $1.00 per month charge.

Note: Marlborough's leash law has been in effect since 1975.

IMPORTANT

INVENTORY OF TAXABLE PROPERTY
Please return your Inventory promptly. It is especially important that the census portion be filled in completely. This information is used for the school census and to compute our State Revenue Sharing. Inventories are due on **April 15, 2006. After that date, a minimum penalty of $10.00 applies**.

Attention Boat Owners

Keep your municipal boat registration fees here in Town!!

You can now **Renew** the municipal portion of your boat registration at the Town Clerk's Office.

Simply bring the registration renewal form you received in the mail from the State of NH with the fees shown in the Boat Fee Due area to the Town Clerks Office and we will provide you with the receipt required at the DMV in Keene. By paying your boat fees in Town, the dollars you spend stay here in Marlborough. Unlike motor vehicle registration fees, boat fees may be paid in any town that accepts them, and your dollars stay at the location these fees are paid.

This process is for renewals only at this time. We are unable to process new registrations at this time.

IMPORTANT

ELDERLY EXEMPTIONS – Marlborough citizens age 65 or older may be eligible for an elderly exemption from property taxes based on assessed value for qualified taxpayers. Please contact the Selectmen's Office 876-3751 for more information.

IMPORTANT
If your mailing address should change please notify the Town Hall promptly in order to avoid delays in receiving your mail from the Town.

TOWN OF MARLBOROUGH
2006 WARRANT AND BUDGET

2006 TOWN WARRANT
Town of Marlborough
State of New Hampshire

To the inhabitants of the Town of Marlborough, in the County of Cheshire, in said State, qualified to vote in Town Affairs:

You are hereby notified that the Annual Town Meeting and elections will be held at the Marlborough School Gymnasium in said Marlborough on Tuesday the fourteenth day of March 2006. The polling area for questions to be decided by official ballot will be in the gymnasium. The Polls will open from 1:00 p.m. until 9:00 p.m. to act on the following subjects to be considered upon the official ballot:

Article 1: To choose by ballot all necessary Town Officers for the ensuing year.

Further, the voters are notified that the Town business meeting will begin at 7:00 p.m. to act upon the following:

Article 2: To see if the Town will vote to raise and appropriate the sum of One Million Four Hundred Sixty-six Thousand Nine Hundred Fifty-four Dollars ($1,466,954.00) which represents the recommended operating budget for the year 2006. The sum does not include the warrant articles addressed.

Article 3: To see if the Town will vote to raise and appropriate the sum of Eight Thousand Five Hundred Dollars ($8,500.00) for the purpose of funding The Community Kitchen. Recommended by Board of Selectmen. (Majority vote required)

Article 4: To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Thirty-eight Dollars ($2,538.00) for the purpose of funding Monadnock Family Services. Recommended by Selectmen. (Majority vote required)

Article 5: To see if the Town will vote to raise and appropriate the sum of Nine Thousand Dollars ($9,000.00) to be added to the Police Cruiser Capital Reserve Fund previously established and to designate the selectmen as agents to expend. Recommended by Board of Selectmen. (Majority vote required)

Article 6: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars ($10,000.00) to be added to the Fire Equipment Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by Selectmen. (Majority vote required)

Article 7: To see if the Town will vote to raise and appropriate up to the sum of Thirteen Thousand Five Hundred Dollars ($13,500.00) for the purpose of Window Replacement at the Fire Department. Recommended by Selectmen. (Majority vote required)

Article 8: To see if the Town will vote to raise and appropriate up to the sum of Forty Six Thousand Dollars ($46,000.00) for the Complete Property Revaluation. Recommended by Selectmen. (Majority vote required)

Article 9: To see if the Town will vote to discontinue the Grader Replacement Capital Reserve Fund created in 2005. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. Recommended by Selectmen (Majority vote required).

Article 10: To see if the Town will vote to raise and appropriate the sum of up to One Hundred Thousand Dollars ($100,000.00) for the purchase of a large dump truck. The sum of Thirty Six Thousand Nine Hundred Fifty ($36,950.00) to come from the general fund balance

(surplus) and up to Sixty-three Thousand Fifty Dollars ($63,050.00) to come from the Highway Department Capital Reservce Fund. Recommended by the Selectmen. (Majority vote required)

Article 11: To hear reports of Town Agents, Auditors, and Committees.

Article 12: To transact any other business that may legally come before this meeting, or take any action thereon.

Given under our hands and seal this 27th day of February, in the year of our Lord, two thousand and five.

PROPOSED 2006 TOWN ORDINANCE AMENDMENTS

A VOTER WHO WISHES TO VOTE "YES" WILL PLACE AN (X) IN THE SQUARE IDENTIFIED WITH THE WORD "YES" FOLLOWING THE QUESTION. A VOTER WHO WISHES TO VOTE "NO" WILL PLACE AN (X) IN THE SQUARE IDENTIFIED WITH THE WORD "NO" FOLLOWING THE QUESTION. IF NO (X) IS PLACED IN EITHER SQUARE FOLLOWING THE QUESTION, THE BALLOT WILL NOT BE COUNTED AS TO THE QUESTION.

1. Are you in favor of the adoption of **Amendment #1** as proposed by the Planning Board to amend the Flood Plain section of the Town Ordinance as necessary to comply with the requirements of the National Flood Insurance Program as posted in the Town Hall on January 10, 2006.

Explanation: These revisions are necessary to ensure that Marlborough is in compliance with the requirements of the National Flood Insurance Program, which provides financial support to property owners in case of floods.

The Planning Board recommends passage of this amendment.

YES ❑ NO ❑

2. Are you in favor of the adoption of **Amendment #2** as proposed by the Planning Board to expand the Scenic Rural District (R-4) Zone from its current boundaries south of Shaker Farm Road and east of Jaffrey Road to new boundaries encompassing all lots east of Troy Road and south of Underwood Road as posted in the Town Hall on January 30, 2006. This zone expansion would take effect on March 15, 2007.

Explanation: This change is designed to protect the scenic, rural character of the properties nearest Mt. Monadnock. The minimum lot sizes would remain as they are now, but the minimum road frontage would be increased and certain large buildings or types of development would be prohibited. The new boundary would match up more closely with the adjacent Mountain Zone in Dublin. If approved, this change would take effect on March 15, 2007.

The Planning Board recommends passage of this amendment.

YES ❑ NO ❑

3. Are you in favor of the adoption of **Amendment #3** as proposed by the Planning Board to amend Town Ordinance **Section 6.4.A.2 (Table of Use Regulations, Principal Uses, Residential)** as follows: Multi-family dwellings such as apartment buildings, condominiums and town houses. Not Permitted in R-4.

Explanation: This change would prohibit large multi-family dwellings from being built in the Scenic, Rural District (R-4). The intent is to avoid the type of large-scale development recently approved in Jaffrey that would diminish the rural character of the properties closest to Mt. Monadnock.

The Planning Board recommends passage of this amendment.

YES ❑ NO ❑

MS-6

BUDGET OF THE TOWN/CITY

OF: MARLBOROUGH

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2006 to December 31, 2006

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.

2. Hold at least one public hearing on this budget.

3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below.

This is to certify that this budget was posted with the warrant on the (date) FEBRUARY 27, 2006

GOVERNING BODY (SELECTMEN)

Please sign in ink.

/s/ Lawrence Robinson, Chairman

/s/ Gina Paight, Selectmen

/s/ John Northcott Selectmen

Contact us by phone at 876-4529, by fax at 876-4703 or by e-mail at townclerk@marlboroughnh.org.

At the Town Clerk/Tax Collectors Office you can:

Register your car, register to vote, obtain a Marriage License, obtain an abstract of your birth, death or marriage, pay your taxes, pay your water/sewer bills, license your dog, and find out information about any delinquent tax or water/sewer amounts you may owe. Please remember that you can always make payments of any size towards your past due balances, and by doing so help to keep the interest charged at a minimum.

Report of the Town Clerk/Tax Collector

The year 2005 was increasingly busy for us in the Town Clerk/Tax Collectors Office. Motor vehicle registration fees continue to be the second largest source of revenue for the Town, after property taxes. The registration fees collected in 2005 totalled $330,781.97, an increase from $324,350.50 in 2004. In 2005 we also collected nearly $97,500 for the State of NH-MV, which was deposited daily into their account. This amount accounts for nearly 2,500 State transactions. These transactions allow you to complete the States portion of your registration here in Town; as opposed to the DMV in Keene.

We have implemented the use of the State's NHVRIN program. We now have access to all records of births, deaths, and marriages that occurred in the State from 1980 to present available to us, and can issue abstracts of these events at the request of entitled persons.

The upgrading of the Town's equipment in your homes used to measure your usage of water from the Town's supply and well as sewer discharged into the municipal system continues to be very time consuming. This project will continue in 2006, with the areas in Town that have difficult access for the men taking the readings being given first consideration for the radio transmitter pads. Also in 2006, look for a new format for your water/sewer and tax bills.

In closing I would like to take this opportunity to thank Heidi Laffond, my Deputy, for all her hard work throughout the year, as well as the Board of Selectmen, Ret. Chief Raymond Dodge and the Dept. Officers, Fire Chief John Manning, Admin. Asst. Sandy LaPlante, the Selectmen's Asst. Yvette Redfield, Batch & Paul at the RTC, Harry Patnode and his crew, as well as all other Town Departments whose help is invaluable in providing the Citizens of Marlborough with the best service possible.

Respectfully Submitted,
Ellen Orkins
Town Clerk/Tax Collector

REPORT OF THE TRUSTEES OF TRUST FUNDS

The enclosed "Report Of The Trust Funds Of The Town Of Marlborough" provides a detailed view of their status as of December 31, 2005. They total $1,931,907 on a market value basis and provide supplemental income to many of the Town's departments and organizations.

The second half of 2005 impacted the year's returns more favorably than the first half. The Federal Reserve increased interest rates, energy prices spiked and then settled back and corporate earnings were higher than anticipated. These changing currents still resulted in positive returns for the year. Interest rates continued low with the short-term and long-term interest rate spread being very narrow. This anomaly was good for the housing market. Higher value homes provided equity that owners could borrow against. The economy seems primed for modest 2006 positive returns.

The Trust Funds' portfolio increased about 5% in 2005 on a net basis. The portfolio will continue to consist of high quality companies that we believe will result in positive returns and long-term growth.

Respectfully submitted,

Wayne Crowell
Rufus Frost
Charlton MacVeagh

About the Marlborough Police Department
The Marlborough Police Department is a full time professional police agency with a mixture of patrol, investigation and call time. We have three full time officers, one secretary and a school crossing guard. We make every effort to maximize our resources to patrol all areas of town, investigate all reported crimes, engage in community policing projects, initiate crime prevention strategies, and provide for off duty call time coverage. Please report all emergencies by dialing 9-1-1, then provide your name, location and the nature of your emergency. For business matters, you may reach us at 876-3311.
Our fax number is 876-3690 and our e-mail address marlboroughpd@marlboroughnh.org. Please check our new website at www.marlboroughnh.org/pd/ where you can find information about the police department, including our weekly police log.

Activity
Unlike the past few years, the number of calls for service and resulting criminal investigations were down slightly. Criminal investigations in particular saw a decrease not only in the numbers, but hours consumed as well. However, the calls for service were spread out around the clock more, meaning more off duty call outs, resulting in more hours logged in by the officers and a substantial strain on the overtime budget. In fact, the overtime budget was overspent for the first time in recent memory.

There weren't any particular noteworthy cases, as most seemed to be routine matters. Gas thefts continued to be problematic, given the high gas prices. Juvenile cases were down, primarily due to a couple of our problem juveniles no longer living in town.

We investigated the usual variety of sexual assault cases, domestic assaults, burglaries, traffic crashes, thefts, gas drive offs, vandalism, simple assaults, motor vehicle complaints, bad checks, noise complaints, abandoned 911 calls, drunk and disorderly subjects, civil complaints, OHRV complaints, stray and nuisance dogs, motorist assist and others.

Personnel
Training continued to be conducted with each officer attending several seminars and workshops throughout the year in an effort to provide the best possible officer we can. Training is never ending, and we expect to continue our aggressive approach in keeping our officers up to date on current acceptable law enforcement practices.

I, of course, announced my retirement from law enforcement effective at the end of the year. The Selectmen have been conducting a search to find my replacement with those efforts now ongoing.

Final Note
This, of course, is my last report to you as police chief. I want to thank all the townspeople for their support over the years. Without that support we would not have been able to do our jobs. I, of course, want to especially thank the Board of Selectmen for their support and leadership over the years. I think the relationship we had was the best of and police chief, board of selectmen anywhere. I also want to thank Mrs. Sandra LaPlante, Ms. Pam Croteau, Mrs. Yvette Redfield, Mrs. Ellen Orkins, Mrs. Heidi Laffond, Mr. Harry Patnode, Chief John Manning, Ambulance Chief Eric Hood and Mrs. Susan Leach. Their assistance is very much appreciated. I also wish to thank the staff of the Marlborough Police Department. It's was an honor to serve with such dedicated personnel

As I've said every year since while in Marlborough, thanks to the kids of Marlborough. They're terrific. I'm going to miss them and the lunches at the school. I've gotten to know many of them and truly

enjoy their company. It's clear to me that there is an awful lot of good parenting going on in Marlborough.

Finally, good luck to the Town and all its people. Marlborough is a great community, and I consider it a privileged to have served it. Best of luck to all, and I thank you for your support.

Respectfully submitted;
Raymond T. Dodge
Chief of Police

REPORT OF THE HEALTH OFFICER

The role of the Health Officer is to enforce the New Hampshire public health rules and regulations and the local public health ordinances. The Health Officer serves as liaison between state officials and the community on issues concerning local public health.

Services provided during the year 2005:

Day Care Inspections	1
Housing Inspections	7
Septic System Inspections	2
Investigation regarding miscellaneous complaints	5

The Health Officer is a member of the NH Health Officers Association and of the Cheshire Public Health Network. Efforts are being made by these groups and others to develop a plan to address Small Pox and other biohazards and infectious diseases should an epidemic or pandemic occur.

The Health Promotion Advisor of NH Public Health Services is requesting assistance of the NH Health Officers in 2006 for site visits regarding the Indoor Smoking Act.

I extend my sincere thanks to Sandra LaPlante, Administrative Assistant and Officer Steve LaMears for their assistance during my absence this summer.

I look forward to continue working with the citizens of Marlborough to promote health and safety in our town until my current term expires in September of 2006.

Respectfully submitted,
Justine Torelli
Marlborough Health Officer

WELFARE REPORT

For the year 2005, the biggest area of need was rental assistance.

Even though there are outside resources clients can apply for, the waiting list can be up to two years. Whenever possible and appropriate other local, county and state agencies continue to be utilized.

The resource library that consists of area agencies and what services they provide is still available to the public. Please feel free to stop by and take a look. The Public Assistance Office hours are Tuesday and Thursday from 10:00 AM to 2:00 PM.

Respectfully Submitted
Yvette Redfield
Welfare Administrator

REPORT OF CEMETERY TRUSTEES

The Trustees would like to extend special thanks to Mike Ball our sexton and also to Peter Humphrey for digging the graves.

Mike Ball has continued to fill in sunken graves in the cemeteries. We will continue to do so as we have more to do.

This year we had several marble headstones repaired in Graniteville Cemetery. This will be an on going problem that will have to be addressed every year.

We got a new contractor to do the mowing in all the cemeteries in 2005. There was a great improvement on the grounds keeping and would like to thank Debbie Durocher and Leon Durham for the great job they did this last summer. Received a lot of nice feedback from the community.

Mike Ball, the sexton, should be contacted before any bushes or shrubs are to be planted as there are regulations concerning this, also we still have a problem with artificial flowers being placed on the graves. The Trustees have in place rules and regulations that were adopted on October 15, 2001. These regulations can be seen at the town office and the library.

The trustees and town office received several compliments this past year in regards to the website which has the cemetery burial data posted. We would like to say "thank you" to Bill Heyman, our webmaster for all his help in maintaining the website!

Respectfully submitted,

Rita Grace
Barbara Woodward
Edward Woodward

CONSERVATION COMMISSION

The Town Meeting of March 2005 authorized the raising and appropriation of up to one million dollars for " the acquisition of conservation easements or open space lands …for the permanent protection of appropriate undeveloped lands within the Town of Marlborough" and the creation of the "open space committee" as a sub committee of the Conservation Commission.

Since then the committee has been busy creating the criteria that identify the properties that best characterize the intrinsic values of Marlborough and that should be protected from development. These criteria take into consideration such concerns as environmental protection, historic value, uniqueness, size and many other qualities.

Using these criteria the Committee developed a series of maps that locate and identify the properties by their attributes. These maps are a valuable resource not only for the Opens Space Committee but for other town boards as well.

Along with the work of the Open Space Committee the Conservation Commission has continued monitoring Stone Pond, and easements that are the responsibility of the Town.

The Open Space Committee meets monthly and is open to the public.

Respectfully submitted,

Ira Gavrin, Chairman

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands on Monadnock, Gap and Little Monadnock Mountains.

The Commission met on August 31, 2005 at the Jaffrey Civic Center, N.H. Division of Parks Bureau Chief or Design and Development, Tom Mansfield, presented an update on the implementation of the Gilson Pond Campground construction in accordance with the goals of the Monadnock Master Plan. Wetland mapping and delineation, identification of endangered and exemplary plant communities and approval from the Jaffrey Conservation Commission, requirements of the Bureau of Public Works, have been completed. A new well was drilled 495' in July providing 30 gallons of water a minute. Major construction of the new family campground will begin May '06 with its opening slated for May '07.

Commissioner of DRED, R. Sean O'Kane, commended the amount of cooperation between the various agencies and the commission members in order to bring this project to fruition. One of his major goals as Commissioner is to see similar efforts to join mutual interests and resources to accomplish shared goals even when multiple government agencies are involved.

State law allows the Commission to accept donations. MAC has always been and continues to be the primary source for funding for search and rescue supplies and equipment at Monadnock State Park. Trial maintenance materials have also been donated to the park.

Andrew Zboray, Monadnock State Park Manager, reported an overall decrease in attendance for '05 due to poor weather during traditionally busy weekends. However, revenue has exceeded last year slightly due to the increased fee rate set by the Division of Parks. Combined day attendance at Headquarters and the Old Toll Road as of 8/30 was 40,938.

The Commission unanimously approved and signed the following statement: "The Monadnock Advisory Commission played an important role in the formation and approval of a Mountain Zone Ordinance (an Overlay District) within the towns surrounding Grand Monadnock – Dublin, Jaffrey, Marlborough and Troy. The Commission strongly defends the integrity of that Mountain Zone."

Commission Members:

Ann Royce, Chair – Jaffrey
Fred Richardson – Jaffrey
Ernie Linders – Marlborough
David Knight – Marlborough
Ed Germain – Dublin
Betsy Harris – Dublin
David Adams – Troy
Donald Upton – Troy
Robin Haynes – Fitzwilliam
Dan Leary – Fitzwilliam

Official Representatives or Designees

R. Sean O'Kane – Commissioner of DRED
Allison McLean – Director of Parks & Recreation
Ken Desmarais – NH Division of Forest & Lands
Geoff Jones – SPNHF
Andrew Zboray – State Park Manager & Secretary

REPORT OF THE HERITAGE COMMISSION

The Heritage Commission is dedicated to preserving and protecting those features of our community which are significant resources relative to our historic, cultural and aesthetic qualities, and to promoting the recognition and use of these resources for the benefit of present and future generations.

The Heritage Commission had a very productive year with several important projects being completed. At the Maynard-Gates House a stairway enclosure was restored to its original condition, enhancing the main room. In addition, some exterior clapboard repair work was completed. At the Meeting House site, the major accomplishment was the restoration of the Town Pound, a stone walled corral-like structure used in the early days to contain stray animals, under the care of the elected Pound Keeper until the farmer reclaimed his animal for a fee. David Quimby of Harrisville, a skilled wall builder, did an excellent job for us on this project. Funding came from three sources: a 2004 grant from the Monadnock Community Foundation; private sources including a major donation from the Mountain Corporation, and the Commission's annual budget. Other site work this year included reconstruction of the first 75 feet of the south boundary stone wall, installation of a bar-way using two donated antique granite posts made at the old Webb Quarry; and reseeding of the area adjoining and inside the Pound.

The restored Meeting House site and Town Pound have attracted many residents and visitors. Artists have been observed with their work in progress, a couple of weddings have been held there and visitors regularly enjoy the natural setting and beautiful mountain view, as well as the opportunity to reconnect with our town's history. We are very pleased with the restoration of this important feature of Marl borough's heritage and we appreciate the on-going support we have had to enable us to do this kind of work. One of our residents visited the site with her husband last fall, offering the following comment: " it is gorgeous. I am filled with awe and appreciation of what you have accomplished up there. Thank you for "seeing" what could be and the patience and determination to see it through – the whole area is truly a gift." In another situation, a noted stonewall builder and author, Dan Snow of Putney, Vermont sent along comments after visiting the site with his wife to see the completed Pound. He said, " Afterwards we stopped by the new old pound. All very nice. It has the feel of an original construction from an earlier time."

We thank everyone - town residents, volunteers and contractors - for the support we have had in the past year as we work on projects that benefit the town of Marlborough

The Marlborough Heritage Commission
Richard Butler
Rufus Frost, III
Manfredo Torelli

REPORT OF THE PLANNING AND ZONING BOARDS

Last year was busy for both Boards since the number of public hearings was above normal.

Among those actions taken by the Planning Board in 2005 were proposals for ordinance amendments to comply with the requirements of the National Flood Insurance Program and also to expand the Scenic Rural R-4 zone to preserve the character of the land nearest Mt. Monadnock. Subdivisions were approved for properties at 180 Maple Lane; Old Chesham Road; and 10 lots on two large parcels on Jaffrey Rd. Boundary line adjustments were approved for the Coutts and Seaver lots on Trestle Road; and at 178 Webb Depot Rd.; 236 Main St.; 32 Terrace St.; and a turnaround on Highland St. A timber cut was approved on Stone Pond Rd.

After site plan reviews, the Planning Board granted permission for a mini-storage facility on Rt. 12; and a tattoo and piercing business and a pizza restaurant addition at 227 Main St. (Marlborough Country Convenience). The Board voted not to approve the site plan for the addition of eight units at the mobile home park on Ryan Rd. That decision is now being appealed in Superior Court.

The Zoning and Planning Boards conducted several joint hearings for special exceptions and site plan reviews. Permission was granted for a cluster development at 51 Bixby St.; a home based antique shop on 808 Jaffrey Rd.; and a retail garden shop at 5 Oliver Rd. Public hearings were also begun for a wireless service tower on Old Chesham Rd., but will be continued in 2006.

The Zoning Board of Adjustment approved variances for construction of a caretaker's house on Kershaw Ave.; reduction of space between dwellings on 51 Bixby St.; reduced road frontage at 180 Maple Lane; structures constructed near wetlands on Rt. 12; and a second apartment at 174 Main St. Permission was denied by the Zoning Board for a variance of minimum lot size on Thatcher Hill Rd. and 808 Jaffrey Rd. The Board approved a special exception for an apartment at 313 Main St. The Board also turned down an appeal of a decision by the Selectmen to deny a building permit for Lots 18&19, Tax Map 7.

This past year, we bid farewell to Planning Board member Tom Trusty who moved to New Zealand. Tom was replaced by Polly Pattison, a teacher at the Harris Center, who is proving to be a great asset to the Board. Elmer Grover retired as Zoning Board Chairman due to health reasons. We thank him for his many years of service and welcome Jane Pitt, a lawyer, as his replacement. She brings a valuable perspective to the Board.

Both Boards value the input and concerns of the public. To serve you, a Board representative will be available for consultation by appointment on Monday evenings from 7-9 p.m. Advance appointments may be made through the Selectmen's office at Town Hall (876-3751) or the Town Clerk (876-4529).

Respectfully submitted,

Ken Kerber, Chairman
Planning Board

Frank Buckbee, Chairman
Zoning Board of Adjustment

REPORT OF THE FIRE WARDS

2005 was a busy year for the Marlborough Fire Department. We responded to 110 calls during 2005, including three building fires. This compares to 107 calls in 2004 and 99 calls in 2003. A breakdown of the 2005 calls is as follows:

Type of Call	Number	Type of Call	Number
Building Fires	3	Mutual Aid	25
Vehicle Accidents	29	CO/Fire Alarms	13
Assist Ambulance	7	Brush Fires	3
Flooding	8	Fuel Spills/Haz Mat	4
Other Calls	18		

In addition to the three building fires in Marlborough, our Department was also involved fighting serious fires in Dublin, Swanzey and Keene.

2005 was also the year of the floods. Although Marlborough was spared the devastation which Alstead suffered, we spent two weekends dealing with multiple flooding issues of our own, including pumping approximately 25 cellars.

In 2005 we put into service a 2005 GMC Brush truck, which we were able to purchase through the federal FIRE Grant program. This will replace the 1962 Dodge Powerwagon as the primary brush fire response unit, as well as giving the town a multi purpose response vehicle. In addition, utilizing NH Terrorism grant money, we were able to purchase a thermal imaging camera. This camera allows us to see in the dark, making it a critical piece of equipment for searching for an individual during the first minutes of a fire. It also can be used for other search and rescue situations.

The fire wards are continuing to look at the small trucks in our department. Our brush truck has been replaced. However, our reel truck, which is 30 years old, will be requiring substantial engine and transmission work in the near future.

We again extend our sincere appreciation to the Fire Company, Ladies Auxiliary, Marl-Harris Ambulance Squad, Police and Highway Departments, Selectmen and Community for their continued support and cooperation.

The current officers of the department are:

Chief: John Manning
Deputy Chief: Steve Thomas
Captain: James Bleau
1st Lieutenant: Michael Laffond
2nd Lieutenant: Allen LaPlante

We currently have 25 dedicated members, but continue to have a need for new volunteers. We provide all of the required equipment and training. Any resident who has any questions about becoming a member, or is interested in joining, should contact any current member for details.

The Marlborough Fire Wards

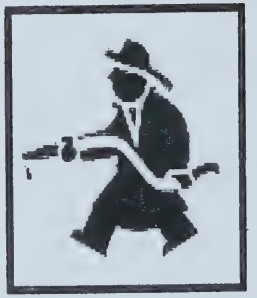
Clevis Croteau



REPORT OF FOREST FIRE WARDEN

We had a moderately busy fire season this year. We responded to 3 small brush fires in our town but we were called upon to aid neighboring towns with several large fires. We issued 132 Burn Permits to kindle outdoor fires, and responded to several call for advise on the placement of burn piles, and materials to be kindled.

In December we took delivery of a new 2005 GMC 3500 Brush Truck that was purchased with grant money. Over the next few months we will be organizing our existing equipment and purchasing some new items to equip the vehicle.

Please keep in mind that a permit is needed for outdoor burning. When there is sufficient **snow cover,** burning is permissible **without** a permit as long as material being burned meets the requirements of NH laws and Southwestern NH Fire Mutual Aid is notified (352-1292). Informational pamphlets are available to answer the most common questions and explain the laws that deal with outdoor burning. Please feel free to pick up a pamphlet at the Town Office, Transfer Station or the Frost Free Library.

I would like to thank my Deputies Mike Goodwin, John Manning, Matt Patnode and Steve Thomas for their time and cooperation.

If you have any questions, feel free to call either myself, Mike Laffond 876-4224, Chief John Manning 876-3904 or Deputy Chief Steve Thomas 876-4052. We will be happy to answer any questions you may have.

Hope we have another safe year.

Thank you,
Michael F. Laffond
Forest Fire Warden

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forest & Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning required diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information contact the Division of Forest & Lands (603) 271-2217, or online at www.nhdfl.org. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603)271-2217, or online at www.nhdfl.org.

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damages 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

MARL-HARRIS AMBULANCE

2005 was a busy year for Marl Harris Ambulance Squad, with 18 dedicated medical members responding to 194 requests for medical assistance. (This followed a relatively easy 2004 with 177 calls!)

Historically speaking, Marl Harris has been providing free ambulance service within the towns of Marlborough & Harrisville for approximately 35 years. Currently, our totally volunteer organization is comprised of EMT Intermediates, EMT Basics, First Responders, and non-medical members. We are proud of the fact that we have been able to maintain our free-to-our-patients, not-for-profit status. And in fact, we are one of the last ambulance services in the area to be able to do so! However, the ever increasing amount and cost of training required, equipment cost & upkeep, and the more recent expense of contracting outside Paramedic services for our community members in need, all combine to make it ever more difficult to remain so. Thus, we must rely heavily on the generous donations we receive from our friends and neighbors!

We couldn't do our job without the help of many amazing people, to whom we are most grateful: to Marlborough Fire and Marlborough & Harrisville Police Departments for all their continued assistance and support; to Harrisville Fire & Rescue Personnel who are a pleasure to work with in providing care to the citizens of Harrisville; to DiLuzio Ambulance for helping us to ensure continuity of care for our residents; and to all our neighbors and community members who support us in so many ways.

Currently, our Board of Directors consists of:
President: Phylis Manning
Vice President: John Northcott
Secretary: Christina Villeneuve
Treasurer: Dino Drakiotes
Members from Marlborough:
Alison C Woods Baker
Sue Spencer
Sue Bemis
Jim Kasper
Members from Harrisville:
Roger Packard
Beverly Packard
Becky Trudelle
Marl Harris Field Officers at this time are:
Chief: J Eric Hood
Deputy Chief: JD Morse,
Captain: Alison C Woods Baker
Lieutenant: Kelson Mulcahy
Lieutenant: Sandra LaPlante

We are always looking for people who would like to get involved with our organization, who are willing to share their skills and talents in medical or non-medical capacities. Anyone interested only needs to get in touch with us at 876-3382!

Respectfully submitted,
Phylis M Manning , President

REPORT OF THE RECREATION COMMITTEE

2005 was a busy year for the Recreation committee. There were several things going on at the Ball fields, Pavilion and Town Beach.

At the **Ball Fields** we scheduled a clean up day to rake the fields, cutting and removal of brush, repairing dugout roofs and attaching the yellow fence top protectors in preparation for the Baseball Season.

At the **Pavilion** we purchased 4 new picnic tables with chains and locks to keep them from becoming part of the Skate Park. In December of 2004 we purchased an Ice rink kit to be able to flood the concrete pad under the Pavilion and give the towns residents a safe area to ice skate throughout the winter months, the Highway department offered to plow into the Pavilion area for parking and the Fire Department has offered their Tanker for water. Thanks to all with a special thanks to Mike Laffond for his time helping to fill the rink with 6 tankers full of water.

At the **Town Beach** we raked the beach and picnic area, removed brush and replaced all of the rotten wood on the picnic tables. New buoys and rope were purchased to increase the swimming area and provide safe swimming environment for our town's children. The erosion control project passed at last years Town meeting was completed in July by R.W. Cumings Trucking & Excavation and has showed to be a success limiting the amount of erosion of the beach sand into the water. We have posted new signs at the Beach entrances explaining the rules of usage; one new rule this year is **NO SMOKING** on the beach. This came from several complaints from town's people irritated with about the amount of cigarette butts in the sand. Parking permits are necessary if you wish to use the beach parking. The Police Department has been out ticketing cars without permits, permits are available upon request at the town hall.

Each summer the Recreation Committee puts on a picnic lunch for all of the seniors of our town. This dinner in the past several years has consisted of cold meat platters and salads. In 2005 we had this picnic professionally catered by Kristen's catering, this was a huge success and enjoyed by all 30 attendees. This year we have asked to increase our budget to allow the seniors to go on a train ride on the Green Mountain Railroad up into Vermont.

In 2005 the Recreation Committee was interested in running a Summer Program for all the town resident children between the 1st and 8th grades. This program was brought before the town at town meeting and passed, unfortunately due to the lack of applicants for the camp director's position we had to cancel this program.

Report of the Frost Free Library

This past year has been a year of big changes at the Frost Free, starting with the departure of our long-time Director, Lisa Bearce, and the retirement of another familiar face, Library Assistant and Interim Director Dolores Biron. Thank you for all of your hard work!

This year brought new faces to the Library, including Director Stephanie Chase and library assistant Kathleen Ash. If you have not had the chance to stop by and meet us, please do. The Library is a wonderful place to visit with friends and neighbors, attend a program, and pick up a copy of the latest magazine, a DVD to watch tonight with the family, or a book on tape or cd for a long trip. And, of course, to find a great book to read!

Our tireless Friends of the Library continued their much-appreciated work this year, purchasing a new rug for story time, decorating the Library for the holidays, assisting with volunteer projects, re-starting our delivery service to the homebound, and running our Columbus Day Book Sale, even in the pouring rain. Our Friends group, many of whom volunteer separately for the Library as well, were joined by many regular volunteers that help the Library with everything from programming to publicity to keeping the Library neat and organized. Over 300 volunteers assisted the Library throughout the year, providing valuable support. Thank you.

2005 was a busy year for programming at the Frost Free Library. Our book discussion group continues to meet at 7pm on the last Wednesday of each month, and we added several new programs:

- our Library Tea, a real English cream tea, at 3:30pm on the first Tuesday of each month;
- a weekly scheduled story time for toddlers and pre-schoolers on Thursday mornings at 10:30am;
- monthly visits to the Friendly Meal to bring large print books and audio books;
- and a Family story time on Saturday mornings at 11am.

These regular programs were joined by, to name just a few, a successful Summer Concert Series; our Summer Reading Program, "Camp WannaRead"; and the start of what has become a "Taste of Marlborough" series, featuring Patti Massey's German breads and pretzels and A&E Roastery and Jitter Beans teaching us about coffee. Look for our busy programming schedule to continue in 2006.

Here are some statistics from 2005 to help give a quick snapshot of our Library:

- We have over **1,100 registered patrons**, with over 100 of those patrons obtaining cards in 2005.
- The Library had **7,406 visitors**, some of whom attended one or more of our **70 programs** offered throughout the year.
- Patrons took out **9,509 materials** and requested **358 materials** through our Inter-Library Loan services.
- **714 people** used the Library's computers in 2005.

The Library also launched a new web site at **http://www.frostfree.org**, and started the regular publication of a Library newsletter. Use the web site and the newsletter to find out what the Library's newest books, DVDs, and audio books are, or to find out about upcoming programs. You can also find out about the services offered at the Library and access the wide variety of electronic resources offered through the State Library and its partnership with EBSCO. For more information about how to use these various databases, which include access to magazines, newspapers, and genealogical information, stop by the Library and we can give you a quick lesson.

Thank you for a busy and wonderful 2005. We all at the Library – the staff, our Trustees, our volunteers, and the Friends – look forward to an equally wonderful 2006!

Stephanie Chase
Director, Frost Free Library

THE COMMUNITY KITCHEN, INC.

Number of clients served 01/01/05 to 09/30/05 at the Pantry:
Unduplicated individuals: 5,207
Unduplicated households: 2,137

Number of those who were Marlborough residents:
#Unduplicated individuals: 126
Unduplicated households: 53

Number of above Marlborough clients served who were under age 19: 42
Number of above Marlborough clients served who were over age 59: 12

Number of Pantry boxes distributed 01/01/05 to 09/30/05: 22,468
Number of those Pantry boxes distributed to Marlborough residents: 619

Number of meals in pantry boxes distributed 01/01/05 to 09/30/05: 475,749
Number of those meals in pantry boxes distributed to Marlborough residents: 14,121

Estimated dollar cost, per client served, 2004: $50.35
Calculated using $555,020 total cash expenses, 11,025 total clients
Estimated dollar cost, per meal served, 2004: $0.60
Calculated using $555,020 total cash expenses, 929,271 total meals

Cost to Community Kitchen of pantry meals provided to Marlborough residents, at $.60 per meal through 09/30/05: $8,472.60.00

Percentage of total pantry box meals provided to residents of Marlborough: 2.97%

Please note that the numbers provided on this page are actual numbers of January through September only.

Traditionally, The Community Kitchen experiences a tremendous increase in both the number of families served and the number of meals distributed in November and December, due to Thanksgiving and Christmas holidays, cold weather and fuel bills. It is anticipated that at the end of the year over 29,957 pantry boxes will have been distributed in total.

The amount of reimbursement we have requested is based on the actual number for the first three quarters of the year and an estimate of the fourth quarter added together.

HCS – HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF MARLBOROUGH
JANUARY 1, 2005 TO DECEMBER 31, 2005
ANNUAL REPORT

In 2005, HCS – Home Healthcare, Hospice and Community services continued to provide home care and community services to the residents of Marlborough. The following information represents HCS's activities in over the past twelve months.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED
Nursing	804 Visits
Physical Therapy	149 Visits
Occupational Therapy	61 Visits
Medical Social Worker	20 Visits
Outreach	50 Visits
Homemaker	743 Hours
Home Health Aide	657 Visits
Home & Community Based Services*	234 Hours
Meals-On-Wheels	4,623 Meals
Health Promotion Clinics	23 Clinics
Adult In Home Care	3,524 Hours

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care. But can be maintained at home for lower cost.

Total Unduplicated Residents Served: 107

Prenatal care, hospice services and regularly scheduled wellness clinics and child health clinics are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2005 with all funding sources is projected to be $334,268.00.

These services have been supported in the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2006, we request an appropriation of $8,750.00 for home care services and $2,548.00 for the Meals-On-Wheels program.

Thank you for your consideration.

Minutes of the Town Meeting
of the Town of Marlborough New Hampshire
Year 2005

Moderator John Fletcher declared the voting polls of the Marlborough Town Meeting open at 1:00 PM on Tuesday, March 8, 2005. He presented the empty ballot box to the election workers and Citizens present and announced that voting could begin. The polls were scheduled to close no earlier than 9:00 PM.

The Moderator convened the deliberative session of the meeting at 7:17 PM. He requested that all present stand for The Pledge of Allegiance to the flag, led by Moderator Fletcher.

The Moderator requested that Selectmen's Chairman John Northcott introduce those seated at the head table. Mr. Northcott introduced himself, Selectmen Gina Paight, Selectman Lawrence Robinson and Town Clerk/Tax Collector Ellen Orkins.

The Moderator asked if there were any objection of those present to hear any reports or information necessary to conduct tonight's meeting from Sandra LaPlante, Administrative Assistant and Raymond Dodge, Chief of Police, as they are not residents of the Town of Marlborough. The voice vote was in the affirmative to allow input from Mrs. LaPlante and Chief Dodge.

The Moderator announced that the Parliamentary Rules of the State of New Hampshire would be the accepted procedure for the conduct of the meeting.

The Moderator next moved to the Warrant Articles stating that the meeting was currently operating under Warrant Article I and would be doing so until the closing of the polls at 9:00 PM:

Article I: To choose by ballot all necessary Town Officers for the ensuing year. Further, the voters are notified that the Town business meeting will begin at 7:00 PM to act upon the following:

Article 2: To see if the Town will vote to raise and appropriate up to the sum of One Million Dollars for the acquisition of conservation easements or open space lands by the Town, all for the permanent protection of appropriate undeveloped land in the Town of Marlborough, and to authorize the Board of Selectmen and Conservation Commission to act on behalf of the Town in connection with such acquisitions of conservation easements or open space lands pursuant to NHRSA 36-A and to utilize, as appropriate, the services of an independent land conservation agency and to further authorize the issuance of not more than One Million Dollars of bonds in accordance with the provisions of the Municipal Finance Act (NHRSA Chapter 33) and to authorize the Board of Selectmen to issue, negotiate, and regulate such bonds and/or notes and to determine rates of interest thereon. Said bonds/notes would be applied for on an as needed basis to acquire easements or open space of parcels as recommended by the Conservation Commission, with the approval of the Board of Selectmen. Provided further that the Board of Selectmen shall not issue such bonds until such time as they have presented to either an annual or special town meeting, a warrant article asking the meeting to ratify, by a simple majority vote, the particular parcel and the parcel ownership interest chosen by the Board of Selectmen for the purchase and said meeting has approved such warrant article. (Petitioned Article) Recommended by Selectmen (2/3 Ballot Vote Required)

Article moved by Mike Krinsky. Seconded by Ken Kerber.

Mike Krinsky made a motion to amend Warrant Article 2, seconded by Bill Heyman.

Mike Krinsky presented an amendment to the Moderator in writing to amend Article 2 as follows:

To see if the Town will vote to raise and appropriate up to the sum of One Million Dollars for the acquisition of conservation easements or open space lands by the Town, all for the permanent protection of

appropriate undeveloped land in the Town of Marlborough, and to authorize the Board of Selectmen and Conservation Commission to act on behalf of the Town in connection with such acquisitions of conservation easements or open space lands pursuant to NHRSA 36-A and to utilize, as appropriate, the services of an independent land conservation agency and to further authorize the issuance of not more than One Million Dollars of bonds in accordance with the provisions of the Municipal Finance Act (NHRSA Chapter 33) and to authorize the Board of Selectmen to issue, negotiate, and regulate such bonds and/or notes and to determine rates of interest thereon. Said bonds/notes would be applied for on an as needed basis to acquire easements or open space of parcels as recommended by the Conservation Commission, with the approval of the Board of Selectmen. Provided further that the Board of Selectmen shall not issue such bonds until such time as a hearing has been held to present to voters the particular parcel and the parcel ownership interest chosen by the Board of Selectmen for the purchase and said meeting has approved such warrant article.

Mr. Krinsky spoke to his amendment. Barbara Johnson asked if the amendment would require future purchases be discussed at a Town public hearing or a Special Town meeting; could people vote on future purchases? Chairman Northcott explained that the process would be by Public Hearing, with no vote by the people taking place; hearings would be for public input only.

Mr. Walt Bradeen asked if the amendment totally negated the last sentence of the original
Article. Chairman Northcott stated that the amendment does negate the last sentence of the Article as originally presented. Mr. Krinsky added that the amendment was done at the recommendation of the Town Attorney.

Further discussion ensued on the amendment, with Mr. Krinsky adding that a committee would be formed, appointed by the Board of Selectmen to study which parcels should be considered for this program.

The Moderator then read Article 2 as amended, to be voted upon by Yes/No Question ballot, explaining that you mark yes on the ballot if you are in favor of Article 2 as amended, no if you are opposed to Article 2 as amended. Those present cast Yes/No Question Ballots. Casting of ballots proceeded.

The Moderator called the meeting back to order and explained that he had erred. The Moderator explained that a voice vote must be first taken on whether or not to accept the amendment, to be followed by a Yes/No Question Ballot on Article 2 as amended, if accepted by voice vote. The ballot box would remain open for one hour on the Ballot vote for this article.

Voice vote held on whether to accept amendment to Article 2. Voice vote passed in the affirmative.

The Moderator read Article 2, as amended, and opened the ballot box for casting of Question B Yes/No ballots at 8:25 PM.

Article 3: **To see if the Town will vote to raise and appropriate the sum of One Million Four Hundred Two Thousand Three Hundred Seventy Eight Dollars ($1,402,378.00) which represents the recommended operating budget for the year 2005. The sum does not include the warrant articles addressed.**

Moved by John Northcott, Seconded by Gina Paight.

Discussion ensued.

Jackie Leahy presented a motion in writing to the Moderator to amend; increasing the Library line of the budget to $87,752. Seconded by Alicia Drakiotis. Mrs. Leahy spoke to her motion, stating that this would change the Librarian position from the part-time as presented in the Selectmen's budget to full-time with benefits.

Discussion ensued.

The Moderator stated that the time was now 9:00 PM and time for the voting for Town Offices and Zoning Amendments to end. After finding that all present that wished to vote had voted the Moderator announced the ballot boxes now closed.

The Moderator stated that due to a petition received; voting on whether or not to accept the amendment would be by Yes/No Question, using Question C. If in favor of the amendment vote Yes, if opposed to the amendment vote No. Ballots were cast.

Motion to Amend defeated: Yes: 16 No: 64

Budget presentation continued.

The Moderator asked for a voice vote on Article 3.

Article 3 passed with a voice vote in the affirmative.

Article 4: To see if the Town will vote to raise and appropriate the sum of Eight Thousand Five Hundred Dollars ($8,500) for the purpose of funding the Community Kitchen. Recommended by Board of Selectmen. (Majority vote required)

Moved by Lawrence Robinson. Seconded by John Northcott

Mr. Robinson spoke to the motion.

Article 4 passed with a voice vote in the affirmative.

Article 5: To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Eighty Dollars ($2,580.00) for the purpose of funding Monadnock Family Services. Recommended by Selectmen. (Majority vote required)

Moved by John Northcott. Seconded by Lawrence Robinson.

Mr. Northcott spoke to the motion.

Article 5 passed with a voice vote in the affirmative.

Article 6: To see if the Town will vote to raise and appropriate the sum of Nine Thousand Dollars ($9,000.00) to be added to the Police Cruiser Capital Reserve Fund previously established and to designate the selectmen as agents to expend. Recommended by Board of Selectmen. (Majority vote required)

Moved by Lawrence Robinson. Seconded by Gina Paight.

Mr. Robinson spoke to the motion.

Article 6 passed with a voice vote in the affirmative.

The Moderator now stated that the time was 9:25 PM, asking if there were any persons still wishing to vote on Article 2 as amended. Finding none, the ballot box was closed for voting on Article 2 as amended. Counting of ballots ensued.

Article 7: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars ($10,000.00) to be added to the Fire Equipment Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by Selectmen. (Majority vote required)

Moved by John Manning. Seconded by Mike Laffond.

Mr. Manning spoke to the motion.

Article 7 passed with a voice vote in the affirmative.

Article 8: To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Dollars ($16,000.00) for the final year's payment

on the One-Ton Dump Truck lease. Recommended by Selectmen. (Majority vote required)

Moved by Lawrence Robinson. Seconded by John Northcott.

Mr. Robinson spoke to the motion.

Article 8 passed with a voice vote in the affirmative.

Article 9: To see if the Town will vote to raise and appropriated the sum of Ten Thousand Dollars ($10,000.00) to be added to the Heavy Equipment Capital Reserve Fund previously established and to designate the Selectmen as agents to expend. Recommended by Selectmen. (Majority vote required)

Moved by John Northcott. Seconded by Lawrence Robinson.

Mr. Northcott spoke to the motion.

Article 9 passed with a voice vote in the affirmative.

The Moderator stated that the ballots cast on Article 2 as amended had been counted. Article 2 as amended passed by paper ballot: Yes: 60, No: 25

Article 10: To see if the Town will vote to change the purpose of the existing Storm Drain System on School Street Capital Reserve Fund to the Grader Replacement Capital Reserve (2/3 vote required), and to designate the Board of Selectmen as the agent to expend the funds contained within the Grader Replacement Capital Reserve Fund. (Majority vote required)

Moved by Lawrence Robinson. Seconded by John Northcott.

Mr. Robinson spoke to the motion, explaining that a 2/3 vote was required. Discussion ensued.

Article 10 passed by paper ballot: Yes: 67, No: 4, 1 invalid vote.

Mr. David Durocher made the motion to restrict reconsideration of Articles 2 and 3. Seconded by Jeffrey Miller. Voice vote to restrict reconsideration of Articles 2 and 3 passed in the affirmative.

Article 11: To see if the Town will vote to raise and appropriate up to the sum of Eight Thousand Dollars ($8,000.00) for the purpose of removing the underground oil tank at the Frost Free Library and replacing it with two indoor tanks. Recommended by Selectmen. (Majority vote required)

Moved by Lawrence Robinson. Seconded by John Northcott.

Mr. Robinson spoke to the motion

Article 11 passed by a voice vote in the affirmative.

Article 12: To see if the Town will vote to raise and appropriate up to the sum of Fifteen Thousand Dollars ($15,000.00) for the purpose of drainage and erosion control at the Town Beach. Recommended by Selectmen. (Majority vote required)

Moved by Lawrence Robinson. Seconded by Gina Paight.

Mr. Robinson deferred speaking on this article to Mr. Ernest Linders.

Article 12 passed by a voice vote in the affirmative.

Article 13: To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Three Hundred Dollars ($12,300.00) for the purpose of establishing a Recreational Summer Program. Recommended by Selectmen.

Moved by Lawrence Robinson. Seconded by John Northcorr.

Mr. Robinson deferred speaking on this article to Mr. Daniel Mitchell.

Article 13 passed on a voice vote in the affirmative.

Article 14: **To see if the Town will vote to designate Frost Hill Road as a Scenic Road, under RSA 231:157-158. (Petition Article) Recommended by Selectmen (Majority vote required)**

Moved by Richard Butler. Seconded by Jeff Miller.

Mr. Butler spoke to the motion.

Article 14 passed by a voice vote in the affirmative.

Article 15: **To hear reports of Town Agents, Auditors, and Committees.**

Lawrence Robinson made the motion to accept Town reports as printed in the 2004 Annual Report. Seconded by John Northcott.

Article 15 passed by a voice vote in the affirmative.

Article 16: **To transact any other business that may legally come before this meeting, or take any action thereon.**

Moved by Lawrence Robinson. Seconded by Gina Paight.

Mr. Robinson stated that he would like to take this opportunity to thank Mr. Harry Patnode, the Town's Road Agent, and the Highway crew for all of their hard work throughout the year. Mr. Patnode and the crew could not be with us this evening because they were dealing with the roads; keeping them safe for us all to travel home this evening. Mr. Robinson's statement was received with a large round of applause from the floor.

Mr. Robinson also took the opportunity to thank Mr. Robert Heald, who had recently retired as the Chairman of the Zoning Board of Adjustment, for his 19 years of service on this Board. Mr. Heald received a standing ovation from those present at the meeting.

Being no further business, at 10:10 PM the Moderator accepted a motion from Mr. Lawrence Robinson, seconded by Mr. John Northcott, to end the deliberative session of the meeting, and continue with the counting of the ballots.

Motion to adjourn deliberative session passed by a voice vote in the affirmative.

Results of Voting on Proposed 2005 Town Ordinance Amendments:

1. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for Town Ordinance Section 9.1.5 (Mobile Home Park) to delete paragraph 9.1.5C and add a new paragraph as posted in the Town Hall on January 14, 2005 as follows:

9.1.5 C. Within the minimum acreage, but in addition to all lots and common areas, a buffer strip at least fifty (50') feet wide shall be maintained along all boundaries and public roads. Within the minimum fifty (50') space, a dense, continuous screen of coniferous shrubs and trees fifteen (15') feet or more in height shall be provided to screen the units from view of abutting properties. If the site is visible from more distant points such as hillsides or hilltops, the natural vegetation must conceal the units from views of those properties as well. Where existing natural growth provides the required density, it may be utilized, but only after concurrence by the Planning Board. The remaining space shall be maintained open with grass, flowers, shrubs, or trees, and such open space shall not be built upon, nor paved, nor used for parking. A lot number sign shall be visibly displayed from the road.

Explanation: This change increases and better defines the current requirements for natural screening of mobile home parks. The intent is to protect the character of neighborhoods and the property values of abutters. The Planning Board recommends passage of this amendment.

Passed by ballot vote: Yes: 148 No: 25

2. Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for Town Ordinance Section 9.1.5 (Mobile Home Parks) to delete paragraphs 9.1.5 A, K and L and add new paragraphs as posted in the Town Hall on January 14, 2005 as follows:

9.1.5 A. No mobile home park shall contain less than twenty (20) spaces of not less than 7,500 square feet for the purpose of mobile homes.

9.1.5 K. A Mobile Home Park permits housing units to be grouped on sites or lots with dimensions, frontages and/or setbacks reduced from conventional sizes, provided: (1) that the density of the tract as a whole shall not be greater than the density allowed for individual residences by the zoning district under existing regulations: and (2) that the remaining land area shall be devoted to common open space. This requirement applies to both new mobile home parks and expanded existing mobile home parks.

9.1.5 L. All expansions to existing mobile home parks shall be in compliance to sections 9.1.5 B through 9.1.5 J. The density requirement in sub paragraph 9.1.5 K will apply to an entire mobile home park in aggregate including any expansion.

Explanation: These changes will correct an omission in our current ordinance and apply the same density and open space requirements to mobile home parks that are currently required for other forms of cluster housing. The density restrictions will apply to existing and new mobile home parks.

The Planning Board recommends passage of this amendment.

Passed by ballot vote: Yes: 153 No: 18

AND SCHOOL REPORTS

MARLBOROUGH SCHOOL BOARD
CHAIR REPORT

On behalf of the Marlborough School Board, I am pleased to provide you with this update on the state of affairs of our school.

Let me begin by talking a bit about how the Board operates. Our primary goal is to address the present and future educational needs of our children. We provide oversight and direction for the educational mission of the school without getting involved in micromanaging its daily operations. Each board member seeks to ensure that our students will be successful both here and in whatever educational setting they move to once they leave the friendly confines of 23 School Street. We feel we can best do that by providing the type of oversight that allows us to attract and maintain a highly qualified and motivated professional staff. In addition, we make sure that the facility allows students to learn in a safe, comfortable setting, one that offers them the opportunity to use the same type of technology and tools that are available to their peers elsewhere in New Hampshire and in other states. This work is done in collaboration with our sister towns in SAU 29, the SAU administration and state educational leaders – all in an environment of ever-tightening finances.

Personally, I feel very fortunate to work with such a dedicated a team of teachers, administrators and fellow board members. I believe that the town of Marlborough is being well-served by the fine folks we have hired and elected. All of us welcome the opportunity to meet and talk with you about issues relating to the school, so please do not be shy about contacting us.

Our principal, Susan Leach, will discuss some of the educational highlights of the past year in her letter, so I will only provide you with highlights from the last 12 months:

- Our children continue to score well in the national tests, as well as in the high school;
- We continue to meet the No Child Left Behind (NCLB) and Adequate Yearly Progress (AYP) standards;
- Highly qualified teachers were attracted to our open positions (Marlborough continues to be seen as a desirable place to work, even though we do not offer the highest salaries in the SAU);
- A before school program was started in conjunction with Harrisville, and we are now finalizing plans for an after school program;
- Marlborough teachers continue to take a lead role in the setting of SAU curriculum standards;
- "Real world learning" opportunities are provided in the middle school for interested students;
- There has been strong community involvement in the development of plans to determine the future of our school;
- The fiscal year ended in strong financial shape, thanks to cost containment and judicious budgeting; and,
- The search process for a new principal has begun (if any of you are interested in serving on the committee, please contact one of the Board members).

Thanks to the hard work of everyone involved in the school – staff, volunteers, community members – Marlborough School continues to be a place the entire town can be proud of!

Along with the good news, there are several things we continue to track. They include:

1. **AREA Agreement**
   Negotiations with the other towns over a revision to the A.R.E.A. agreement, the arrangement that allows us to send our students to Keene High, are well underway. While negotiations have gone well, it will not be settled until after the March elections. It is very likely that the final agreement will hinge upon the school board election results for the city of Keene.

2. **Relocating SAU 29 Offices**
   The current Keene Board has decided to sell the building at 34 West Street. A committee will look for a new location for the SAU offices over the next year. Depending on where the offices are located, this could result in an increase in cost for the sending districts.

3. **The Ever-Changing State Adequacy Grant**
   Under the current formula, we anticipate receiving lower grants for the foreseeable future. Although this is subject to change at almost

a moment's notice, we will continue to budget based upon these lower projections.

Last, but not least, we are entering the final stages of determining the future of the school building. We have spent several years reviewing and working with the state fire marshal's reports; have brought in architects, engineering firms and various experts to examine the structural, mechanical and site issues; and have continuously sought input and feedback from the community. Last March the voters directed us to bring forth a proposal for a new school. In conjunction with the Marlborough Capital Improvements Committee (MCIC), we have put together a proposal that we feel best meets the current and future educational needs of our town.

Examining the structural and educational needs of the school and our children has been a long, difficult and, at times, emotional process. The board has sought your support and involvement to determine the best course of action for Marlborough. Our job has been to bring issues to the forefront, examine them, and offer you the best solutions. We are confident that we have done so.

After all the discussion and review and debate is done, the one thing we can all agree on is this: While we are proud of the educational work that goes on inside the building, we cannot be proud of the building in which that work takes place. As such, we are at a crossroads, not just for the future of the school but, more importantly, for the future of Marlborough. Much like our predecessors who had to decide whether or not to build a school, add onto it, or close the high school, the good people of Marlborough now face the difficult task of choosing which road to take.

We have heard from many people that the timing of past district meetings has kept people from being able to attend. In order to address that issue, this year's meeting will take place on Saturday, March 11th, starting at 9:00 a.m. in the school gym. The bond issue for the school will be the first item on the agenda. We encourage all members of the town to attend. For those of you with young children, please note that babysitting will be provided.

Let me conclude by thanking our principal, Susan Leach, for all her years of wonderful service to the students of Marlborough. In all my years of working in education, I have never met a person more dedicated to enhancing the lives of children than Mrs. Leach. Her commitment to students and their education will be sorely missed. I hope you will join me in saying thanks and wishing her the best as she finishes her time here with us.

It has, again, been a pleasure to serve as the chairperson of the Marlborough School Board. I thank my fellow board members and the MCIC for all their hard work and invite you to stop by our monthly school board meetings, held the second Thursday of every month starting at 5:30 p.m. in the school library. We'd love to see you!

Respectfully submitted,
James K. Carley
Chairperson
Marlborough School Board

ADMINISTRATIVE REPORT

Over the past year the Marlborough School Board and the Capitol Improvement Committee, which was established at the March, 2005 district meeting, have worked very hard to present the best possible building proposal to the Marlborough voters. At the district meeting on Saturday, March 11, at 9:00 a.m., Marlborough voters will decide whether to approve money for a new elementary and middle school in Marlborough. Please be sure to attend this meeting to participate in this important decision.

SAU 29 will miss working with your principal, Mrs. Susan Leach, who will retire on June 30, 2006. She has demonstrated a strong commitment as the instructional leader in the school, focusing on planning time for staff to work on curriculum development to meet the needs of all students and encouraging creative scheduling of instructional time that is necessary in a small school. She has also provided her staff with numerous opportunities to grow professionally, bringing in specialists to work with the staff to address needs and issues that are specific to Marlborough School. Her success in engaging the Marlborough staff in curriculum mapping has made Marlborough the leader in SAU 29 in that area. Mrs. Leach is an outstanding model of being a lifelong learner.

Mrs. Leach places a high value on developing strong school-community relations and, during her ten years as principal, she created many opportunities to involve the community in the school and the school in the community. She worked with the Best Schools Team to engage the community and developed the "Community Forums" that created opportunities for community members to express their thoughts, concerns and dreams about Marlborough School. For a number of years, Mrs. Leach has involved herself and staff members in the community kitchen project at the Community House. Her work on the "Make a Difference Day" program generated tremendous goodwill in the community and wonderful publicity for the school. All of these efforts have contributed to the positive image that Marlborough School has in the community. She has worked hard with the Board and the Marlborough Capital Improvement Committee to come up with the best new school plan possible.

Focus on student achievement has Marlborough students joining their classmates in other SAU 29 schools by participating in the Northwest Evaluation Association program during the 2006-2007 school year. Marlborough has already piloted the assessment with many students at Marlborough School. NWEA has grown dramatically in recent years as school districts seek a method for measuring individual student progress over time. These computer adaptive tests give students, parents and teachers immediate feedback on student progress and level of performance. Expenses associated with the implementation of these assessments have been paid through district-wide grants.

Several teachers from Marlborough and over 40 staff members from other schools in SAU 29 and Winchester Elementary School participated in summer curriculum work in English Language Arts (ELA), Mathematics, and Social Studies in 2005. The primary focus of the activities in ELA and Math was the alignment of SAU 29 curriculum to New Hampshire assessment standards known as Grade Level Expectations (GLEs). This was a continuation of work begun in 2004 seeking to ensure that instruction prepares students for state assessments without diminishing the breadth and quality of the programs provided by our schools. Marlborough was well represented on this committee. Mrs. Leach was, once again, the SAU 29 principal representative on the language arts committee.

Social studies curriculum activity focused on the newly implemented United States History program in grades seven and eight. Beginning with native cultures and European exploration, the two-year program engages students in an activity-based experience that provides for knowledge of the geography and an understanding of the development of our government, economy and history through the early years of the twentieth century.

In 2006, curriculum work will emphasize science, physical education, and health, as well as continued work in social studies with a focus on grades five and six.

Marlborough's students at Keene High School continue to perform well. This past year Marlborough had 102 students enrolled at the high school, up from 97 the previous year. These students are taking advantage of a wide range of academic, as well as co-curricular activities. In English, 55 percent of the students earned a grade of "B" or better. In mathematics, 51 percent earned grades of "B" or better. In science, 64 percent of the students earned grades of "B" or better.

Marlborough has a tremendous level of parental involvement and support, which research shows is critical to student success and overall school quality. A strong PTA presence and high volunteerism are characteristics of Marlborough School.

Marlborough has a tremendous level of parental involvement and support, which research shows is critical to student success and overall school quality. A strong PTA presence and high volunteerism are characteristics of Marlborough School. These factors contribute to a very positive school environment and strong community ownership in, and support for, the school. Marlborough teachers have continued their efforts to ensure that the children are offered a well-coordinated and challenging curriculum. Many have worked hard to broaden their subject area background and/or their skills to meet the needs of each child and to enhance their effectiveness as a teacher. This has come as a result of their involvement in quality professional development training in areas such as skillful teaching techniques, curriculum mapping, technology integration, Measure of Academic Progress, the needs of special needs students, and classroom management.

The constructive working relationship between the school board and staff continues to promote continuous school improvement. This is facilitated by good communication between the staff and board and by board members' recognition of, and interaction with, the staff. One example of this is the annual school board/staff goal-setting retreat. This activity not only produces a focus around which planning and allocation of resources occurs, but also a dynamic of cooperation and trust.

The Marlborough School community should be very proud of its school. The improvement that has occurred should not be taken for granted, nor should the strong support given to the school by the community. Continuation of this improvement is highly contingent upon open lines of communication between the home and school and a good understanding of what goes on in the school. Please make the time to visit the school, to attend a school-related activity, or attend a school board meeting. Please be sure to attend the Annual District Meeting on Saturday, March 11, at 9:00 a.m.

PRINCIPAL'S REPORT

We had no major construction over this past summer; however, a great deal of activity occurred within the building. Since our student enrollment has increased in the elementary grades and declined in the middle school, we moved Gilda Goodrich from the middle school where she taught language arts, to the primary level where she is now teaching second grade. Robin Fairfield is teaching kindergarten rather than special education, and she moved from a small room to a regular size classroom. These changes in classrooms created other room changes and, in all, Mr. Smith and Mr. Machado assisted five teachers in moving supplies, furniture and equipment. Along with all the cleaning, maintenance, and painting, Mr. Machado and Mr. Smith were kept very busy!

While the custodians were busy within the building, five new staff members were hired. Since most of our paraprofessionals are certified teachers, they move on when they have the opportunity to be in their own classrooms. We also had our part-time Media Generalist, Charlotte Greenhalgh, find a full-time position in Jaffrey-Rindge. Our library aide, Kim Harris, also found a full time job. Mr. Farr, our science teacher, left for personal reasons, but we were fortunate to hire Jeanne Butler, a Marlborough resident, as a long-term substitute. Finally, we hired two highly qualified women, Kim Bylancik and Amy Pandolfi, to run the Marl-Harris Before and After School Program.

Mr. Lesser, Principal of Wells Memorial School in Harrisville, and I were fortunate to find Kim Bylancik to be Project Manager of the Before and After School Program. She has been very successful with the elementary program at Harrisville. There are approximately 15 Harrisville and 15 Marlborough students attending the after school program. Kim and Amy hired one more staff member, Emmy Watson, who, along with Kim, works with the children in Harrisville. Amy is our PR manager and has been working diligently to find grants and donors who will help to sustain the program. Kim and Amy were awarded a Cheshire County grant to hire another staff member, and now Kim can concentrate on establishing the after school program at Marlborough. This program has been financed by grants David Lesser and I were awarded last year.

Our students have been fortunate to have some extraordinary visitors to our school, supported by you, our community. Our first visitor was a theater-in-residence group, The Children's Adventure Theater, who spent a week auditioning and training 30 students from grades 2 through 8 to perform the musical, *The Fisherman and His Wife*. There was a morning and afternoon performance. Nelson School came to the morning presentation and donated $60 to our relief fund for Hurricane Katrina victims. The evening performance was well attended by parents and community members. How our children could sing and act so well in just one week was astounding! Thank you, Marlborough citizens, for allowing such an experience for our children.

Other visitors to our school were: the Meadowood Under Water Diving Team, who showed our middle school students how they rescue those who are in danger of drowning, as well as safety in water and on ice. Our own Mike Ferranti is the captain of this team; The Moving Company presented its version of *The Nutcracker* to all grades; we had a chef from Keene State College meet with our middle school classes. He made some nutritious snacks that students could easily make at home; the New England Brass sent four of its members to Marlborough. They played songs from Jurassic Park, Star Wars, and other well-known movies, and concluded with a John Philip Sousa march, marching through the gym, the kitchen and Mr. Mason's office. There is still talk about this extraordinary event! You can see, you have helped to bring culture and valuable educational experiences into every classroom.

Our students have had many exceptional field trips. To mention a few: the fifth grade traveled to the Currier and Ives Museum in Manchester to view the Andrew Wyeth exhibit; the third grade traveled on the Green Mountain Railroad and learned how important railroads were to our country. The day was sunny and the views were spectacular; grades one and two visited the Colonial Theater to learn about an orchestra. This trip enhanced their listening skills as they were asked to recognize the melody in the songs played by the orchestra; grades four and five traveled to Fort #4 in Charlestown to see how those in the 1700's lived and worked. They were particularly awed by all the responsibilities of a blacksmith; Polly Pattison from the Harris Center took the second graders to Pitcher Mountain where their unit of study on rocks and minerals was validated when they were able to identify various rocks and then determined whether they were igneous, metamorphic, or sedimentary; the sixth grade visited the Kearsarge Museum to help culminate their unit on the American Indian; and the seventh grade traveled to Lawrence, Massachusetts where they visually saw what it was like to live during the Industrial Revolution. Once again, thank you for allowing such educational trips to occur.

As in the past, our students and community have come to the aide of those in need. Through various fundraisers, our students raised over $1,100 for the victims of the Tsunami; between the PTA and the school, over $3,000 worth of televisions,

cameras, and video equipment was delivered to three schools which were destroyed by floods in Pass Christian, Mississippi. The equipment is being used to help victims overcome their fears and traumas due to Hurricane Katrina. The PTA and the school's Leadership Team also gave $25 gift certificates to 27 children in Alstead who were victims to the flood in our own region. We certainly have a community with a generous heart!

We had two Destination Imagination teams who competed in the state finals. Although the teams did not make it to the world competition in Tennessee, one team won the "Spirit of DI Award," while the other team placed seventh in the state. Kristie Pratt is to be commended for taking both teams to the state competition and for her commitment to the students of Marlborough School.

This year Mrs. Pomasko and I coached a team of ten students in a Mock Trial competition held in the Jaffrey-Peterborough District Court. The students' assignment was to present a case on a dress code issue which was deemed by the prosecution as a violation of a student's First Amendment rights. Both the prosecution and the defense students had to develop a case to present before a jury of three lawyers and Judge Runyan from Keene. Student witnesses had to understand their character precisely as to answer questions from the opposing team's lawyers. When we entered the courthouse, there was a real case in progress, and students had to adhere to courtroom procedures which had been explained to them by Judge Runyan. This was a wonderful experience for all those involved, including Mrs. Pomasko, myself and the parents who came to see the students perform. We all look forward to our next case in the spring.

Mrs. LaClair and her student teacher from Antioch organized a Career Day for our middle school students. We had nine adults from our own community who shared their time and expertise with our children. We would like to thank Bill and Peggy Heyman, Ted Mead, John Nielson, Kathy Sullivan, Judy Boulay, George Islin, Noel Aderer and Chief Ray Dodge for committing a day to benefit our children. We believe they made a positive impact on our students. If you are interested in sharing your expertise, please contact the school.

There was a retirement party in January for our former Police Chief, Ray Dodge. He was continually visiting our school and making his presence known. The children enjoyed having lunch with him and listening to his advice. He made a difference to our students and he will be sorely missed.

Congratulations to our own Skip Mason who was inducted into Monadnock Regional High School's Hall of Fame. This was the school's first induction and Skip, along with several other athletes, was selected to be part of that first induction. We are all so proud of Skip. He has made a difference in keeping our children safe and healthy!

Our staff continues to lead the way in curriculum mapping and assessment. They are committed to having "success for all children." They have spent many overtime hours working on curriculum to help ensure each child will show growth over time. This fall students in grades 3 through 8 took the NECAP assessment in reading, math, and 4 and 8, in writing. This is a new assessment developed by New Hampshire, Rhode Island, and Vermont. No matter the results, you can believe our staff is worthy of praise. You will not find a more dedicated group of teachers. I am proud to have worked with them.

In closing, I would like to thank the staff, students, parents, and the citizens of Marlborough for allowing me to lead your school. I would also like to thank the Marlborough School Board for its continued support over the years. You enhanced my ability to be a leader and you believed in me. To all my support system at the SAU, thank you for your endless help and your confidence in me. I am proud to have met you, worked with you, and to have served you. You will always be in my thoughts.

It is now time for me to be with my family -- my supportive husband and daughters, their husbands, my darling grandson and my new grandson due in April.

Peace! Always remember, *"Do something nice for someone else."*

Respectfully submitted,

Susan Leach

STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the inhabitants of the school district in the Town of Marlborough qualified to vote in District affairs:

You are hereby notified to meet at the Marlborough Elementary School Gymnasium in said District on the 14th day of March, 2006, at 1:00 in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 1:00 p.m., nor close earlier than 9:00 p.m.

ARTICLE 1: To choose all necessary school district officers:

Two members of the school board for the ensuing three years

Given under our hands at said Marlborough, this 23rd day of February, 2006.

MARLBOROUGH SCHOOL BOARD
James K. Carley, Chair
Robert W. Hill
Sylvie L. Rice
Catherine L. Shanahan
Elaina M. Waibel

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

Michele L. Munson
Superintendent of Schools

**** FOR PRINTING PURPOSES ONLY. SUBJECT TO CHANGE PRIOR TO FINAL POSTING****

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Marlborough qualified to vote in District affairs:

You are hereby notified to meet at the Marlborough School Gymnasium in said district on the 11th day of March, 2006, at 9:00 o'clock in the morning to act upon the following articles:

ARTICLE 1: To see if the school district will vote to raise and appropriate the sum of $9,700,000 (Gross Budget) for the acquisition of land, construction, original equipping, and related costs of a new school building, as per plans on file at the office of the SAU; and, to authorize the issuance of not more than $9,700,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33); and, to authorize the school district to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and, further, to appropriate a sum up to $100,000 from interest earned on the invested bond proceeds toward the first bond payment; and to take such other action as may be related thereto. *(Two-thirds ballot vote required.) (The Marlborough School Board supports favorable action on this warrant article.)*

ARTICLE 2: To hear the reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.

ARTICLE 3: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Marlborough School Board supports favorable action on approval of the sum of $3,559,757.)*

ARTICLE 4: In the event Article 1 above is not adopted, to see if the District will vote to raise and appropriate the sum of $312,500 for the purchase of the parcel of land referenced as Lot 55 on the Town of Marlborough tax Map 12, and related costs; and, further, to authorize the Board to purchase said land, or to take any other action in relation thereto. *(The Marlborough School Board supports favorable action on this article.)*

ARTICLE 5: In the event Article 1 above is not adopted, to see if the District shall authorize an adjourned session of this meeting to reconsider alternatives to be proposed by the Marlborough School Board, said adjourned session to be reconvened on May 16, 2006 at the Marlborough Elementary School Gymnasium at 7:00 p.m.

ARTICLE 6: To transact any other business that may legally come before the meeting.

MINUTES OF THE ANNUAL SCHOOL DISTRICT MEETING
OF THE MARLBOROUGH SCHOOL DISTRICT
MARCH 3, 2005

Meeting called to order at 7:10 p.m. by the Moderator John Fletcher. The Moderator led the Pledge of Allegiance to our country's flag. He introduced staff members and visiting officials. He asked the meeting for approval to allow the non-resident guests to speak if asked to. He then outlined the rules for the conduct of the meeting. Petitions were read requesting paper ballots on Articles 2, 3 & 6 signed by Ken Kerber, David Durocher, Lisa Kerber, Hale Woodward, Valerie Woodward & Michael Collins.

ARTICLE 1: This article was passed over on the motion by David Durocher, supported by Hale Woodward, that the District receive the reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto. The Town went to get copies of the Town Report for voters to look at before bringing this article back up.

ARTICLE 2: Voted favorably by paper ballot on the motion of Jim Carley, supported by Elaina Waibel, that the District raise and appropriate the sum of $3,582,056 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District. Yes-89 No-14

ARTICLE 3: Voted favorably by paper ballot on the motion of Elaina Waibel, supported by Cathy Blanchard, that the District approve the cost items included in the collective bargaining agreement reached between the Marlborough School Board and the hourly staff of the Marlborough Education Association which calls for the following estimated increases in salaries and benefits: $24,113 in 2005-2006; and $8,755 in 2006-2007.

And, further to raise and appropriate the sum of $24,113 for the 2005-2006 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the fiscal year. Yes-91 No-16

ARTICLE 4: Voted favorably by acclamation on the motion of Elaina Waibel, supported by Jim Carley, to pass over that the District, if Article 3 is defeated, authorize the Marlborough School Board to call one special district meeting, at its option, to address Article 3 on cost items only.

ARTICLE 5: Voted favorably by acclamation on the motion of Cathy Blanchard, supported by Elaina Waibel, that the District raise and appropriate the sum of $12,000 for the support of an afterschool childcare program, said sum to be funded through revenue generated from the program.

ARTICLE 6 Amended: On the motion of David Durocher, supported by Hale Woodward, that the District will vote to raise and appropriate the sum of $65,000 for the development of Option A of the Marlborough Feasibility Study, a plan to restore the existing school building to a safe, functional condition, and further, to authorize the withdrawal of said sum, $65,000, from the Capital Reserve Fund established by the voters on March 9, 1989, for the purposes of construction and/or related costs to said construction and/or renovation; and further, to direct the school board to appoint a Capital Improvement Committee, comprised of a town selectman, school board member and citizen representatives, and reporting to the school board, charged with producing a detailed plan to carry out the District's will to explore a plan to restore the school to a safe, functional condition, or to take any other action in relation thereto. Amendment defeated by paper ballot. Yes- 35 No-69

ARTICLE 6: Voted favorably by paper ballot on the motion of Edward Goodrich, supported by Larry Robinson, that the District raise and appropriate the sum of $65,000 for development of Option C of the Marlborough Feasibility Study, a new school construction plan, and, further, to authorize the withdrawal of said sum, $65,000, from the Capital Reserve Fund established by the voters on March 9, 1989, for the purposes of construction and/or renovation of buildings and/or related costs to said construction and/or renovation; and, further, to direct the school board to appoint a Capital Improvement Committee, comprised of a town selectman, school board member and citizen representatives, and reporting to the school board, charged with producing a detailed plan to carry out the District's will to explore a new school construction plan.
Yes-63 No-37

Voted favorably by acclamation on the motion of Jim Carley and supported by Sylvie Rice to restrict reconsideration on Article 6.

ARTICLE 1: Voted favorably by acclamation on the motion of David Durocher, supported by Hale Woodward, that the District receive the reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.

ARTICLE 7: Voted favorably by acclamation on the motion of Sylvie Rice, supported by Jim Carley, that the District raise and appropriate up to $20,000 to be used to enter into a purchase and sales agreement option, said sum to be transferred from the District's unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2005; and, further, to authorize the School Board to enter into a purchase and sales agreement option for acquiring additional land.

ARTICLE 8: Voted favorably by acclamation on the motion of Cathy Blanchard, supported by Jim Carley, that the District appropriate and authorize the School Board to transfer up to $80,000 of its unencumbered funds, it any, remairuing on hand at the end of fiscal year, June 30, 2005, to the Capital Reserve Fund established by the voters on March 9, 1989, for the purposed of construction and/or renovation of buildings and/or related costs to said construction and/or renovation.

ARTICLE 9: Voted favorably by acclamation on the motion of Robert Hill, supported by Larry Robinson, that no further business appearing, that the meeting be adjourned at 10:13 p.m. on March 3, 2005.

Attest:
Susan A. Bemis, District Clerk

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Marlborough School District
Marlborough, New Hampshire

We have audited the accompanying financial statements of the Marlborough School District as of and for the year ended June 30, 2005 as shown on pages 2 through 4. These financial statements are the responsibility of the Marlborough School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has chosen not to implement Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments.* Therefore these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable, and fiduciary fund types, nor are major and non-major funds separately identified and classified. The financial statements presented report expendable trust funds which should be reported as special revenue funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements, were they presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Marlborough School District as of June 30, 2005, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was made for the purpose of forming opinions on the basic financial statements of the Marlborough School District taken as a whole. The combining and individual fund statements are presented for purposes of additional analysis and are not a required part of the financial statements of the Marlborough School District. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Marlborough School District do not fairly present financial position and results of operations in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund statements.
